

In the Specification

Page 2, after line 6, insert the following paragraphs:

--Fig. 2 shows a stuffed animal.

Fig. 3 is a flow chart showing methods incorporating aspects of certain embodiments.

Fig. 4 is a flow chart showing methods incorporating other aspects of certain embodiments.

Fig. 5 is a flow chart showing methods incorporating still other aspects of certain embodiments.—

Rewrite the paragraph extending between lines 9-15 of page 2 to read as follows:

Referring to ~~Fig. 1~~ **Figs. 1 and 2**, a system 10 according to one embodiment of the invention includes a toy 12 and a computer device 14. The toy (e.g., a doll or stuffed animal) includes, concealed within it, an image sensor 16 and a speaker 18. (The image sensor may view out of one of the toy's eyes.) The computer can be as complex or as simple as system constraints dictate. Typically, the computer includes a processor and a memory. A display 20 may be integrally provided as part of the computer device, or it may be separate.

Page 4, between lines 15 and 16, insert the following paragraph:

--Flow charts illustrating certain of the foregoing embodiments are presented in Figs. 3-5.--
